HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Sunday, December 20, 2020

Mr. LATTA. Madam Speaker, I rise today to celebrate the Bicentennial of Hancock County, Ohio. The perseverance of pioneers and settlers to overcome the challenges faced during the early years of the county's history has persisted throughout the past 200 years. The hard work and spirit shown by generations of county residents have made Hancock County an outstanding example of American ingenuity.

On February 12, 1820, the Ohio Legislature enacted legislation creating fourteen new counties in northwestern Ohio. One of the counties was named Hancock, honoring the American Revolutionary hero, John Hancock. Hancock County was officially established in 1820 and encompasses roughly 531 square miles. The county is an asset to the great State of Ohio through its many contributions in the fields of agriculture and manufacturing. One of Hancock County's noteworthy distinctions was having Ohio Governor Joseph Vance and songwriter Tell Taylor reside within the county.

Thank you and congratulations to Hancock County on this significant milestone.

HONORING BOB HANDY FOR HIS PUBLIC SERVICE

HON. SALUD O. CARBAJAL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Sunday, December 20, 2020

Mr. CARBAJAL. Madam Speaker, today, I celebrate the service of one of my constituents and good friend, Robert "Bob" Handy, who is a staunch advocate for veterans and had a prodigious 22-year career in the U.S. Navy as a Medical Corpsman.

Bob is the founder and Chairman of Veterans United for Truth, Inc. (VUFT), a veterans' support non-profit that played a critical role in addressing the Veterans Administration's (VA) mishandling of veterans' medical services, particularly of Post-Traumatic Stress Disorder (PTSD) cases, and restrictive policies within the VA that prevented veterans with PTSD from appealing negative findings in their cases.

Bob led VUFT as the principal plaintiff in VCS et al. v. Nicholson et al., a 2007 class action lawsuit that challenged the federal gov-

ernment's compliance with the First and Fifth Amendments to the United States Constitution, and with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794, as it related to veterans' PTSD cases.

While the suit was initially successful in the 9th Circuit Court of Appeals, after being referred there by a District Court, a subsequent revised finding by a full panel of the court rejected it. The case was supported by millions of dollars of pro bona legal support and lasted into 2009.

Bob Handy's tireless pursuit of this case in the public realm brought new attention to the serious health issue of PTSD. His work resulted in important changes to the VA's approach on this issue.

I am honored to celebrate Bob Handy's distinguished service, exemplary advocacy, leadership, and commitment on behalf of veterans.

Mr. GALLEG0. Madam Speaker, I am grateful for my colleagues' support of my bill,

H.R. 6535, the Coverage for Urban Indian Health Providers Act, when it passed this House on Thursday, December 17, 2020. Enactment of H.R. 6535 will address the lack of parity under the Federal Tort Claims Act within the Indian Health Service for urban Indian health programs, and by sending this bill to the Senate, and hopefully to the President, we are making a necessary correction that will support delivery of health care to Native communities across the country.

However, while I am proud of the passage of this measure, we must not forget that the same lack of parity under FTCA continues to persist for the Native Hawaiian Health Care Systems funded through the Native Hawaiian Health Care Improvement Act. I am therefore committed to standing with Native Hawaiians and their representatives in Congress, including Congressman CASE and Senator SCHATZ, to ensure that Native Hawaiian Health Care Systems are not left behind, and will work with them, the House Energy and Commerce Committee, the House Natural Resources Committee, and the Senate Committee for Indian Affairs to address the inequitable access to Federal Torts Claims Act coverage among Native health systems in the next Congress. Together, we will continue to fight for the trust and treaty rights and access to benefits for all of our country's Native peoples.
